

Table Alarm Clock with Flip Calendar

Features

- Analog Clock Alarm
- Flip Calendar
- Accurate Quartz Movement

Battery Installation

Open the battery compartment located on the back of the Clock. Insert a new "AA" size battery into the battery compartment according to the correct polarity.

To Set the Time

Turn the Time setting knob clockwise or counter clockwise until the desired Time is obtained on the dial.

To set the Alarm

Turn the Alarm setting knob clockwise or counter clockwise until the Alarm hand indicates the required Alarm time. Press the Alarm ON / OFF switch located on the top left of the unit to activate the Alarm.

Alarm will ring at the SET time.

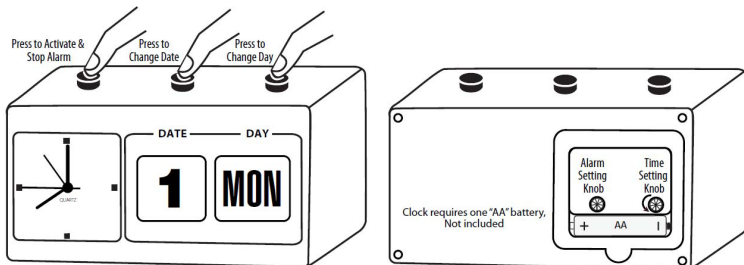

To stop the Alarm

To stop the Alarm, press the Alarm ON / OFF button again.

To set the Date & Day

Set the Date and the Day of the week by pressing the corresponding push button on the top of the Unit.

Note: The Date and Day of the week need to be set manually everyday.
